About Me

I'm a Full Stack Developer turned Tech Lead with over **5+ years of hands-on experience** building web and mobile applications. Over the years, I've grown from writing code **independently to leading teams, managing projects, and making technical decisions that directly impact business outcomes.**

I enjoy solving real-world problems through technology, **mentoring developers, improving team progress**, and ensuring projects are delivered on time without compromising quality.

What I Do Best

- **Lead and guide** development teams.
- Plan and manage sprints in **Agile** environments
- Design scalable and maintainable system architecture
- **Review code and maintain quality standards.**
- **Communicate with clients** and translate business needs into technical solutions
- Deliver projects from idea to deployment.
- Scrum Meetings for better results and communication.

Technical Skills

- **Frontend:** React.js, Next.js, HTML, CSS, JavaScript, TypeScript
- **Mobile:** React Native
- **Backend:** Node.js, Express.js, PHP, Laravel, Python, Java
- **Database:** MySQL, MongoDB
- **AI:** ChatGPT, Gemini, Vonage, Persona
- **Tools:** Git, GitLab, GitHub, Zoho CRM, Postman, Firebase, REST APIs, CI/CD, Google Console, AWS, Facebook Console
- **Others :** PowerPoint, MS Excel, MS Word , Zoom ,Google meet, MS Teams

Project Experience Across Domains

E-commerce, AI-powered chatbots, Medical support systems, Civil & infrastructure solutions, Car booking platforms, Room rental platforms, Educational games for kids, Business automation tools etc.

Professional Experience

Freelance / Self-Employed

July 2025 – Present

- Managed **end-to-end project delivery** from concept to deployment, meeting client expectations and timelines.
- Actively handled **client communication**, aligning requirements, milestones, and **deliverables**.
- Led frontend development for multiple mobile and web applications, ensuring high-performance and user-centric UI/UX.

Webskitters Technology Solutions Pvt. Ltd. — Lead React Native

May 2024 – Nov 2025

- **Directed frontend development** for web and mobile applications, delivering high-performance, scalable, and user-focused UI/UX solutions.
- **Handling multiple projects simultaneously & mentoring junior developers** and helping them grow and make the team strong and **distributed tasks for efficient delivery**.
- Improved overall code quality and reduced production bugs by **40%** through proactive code reviews and QA coordination.

GeoAlgo Technologies Pvt. Ltd. — Software Engineer

Nov 2023 – May 2024

- Worked on full-stack development of web and mobile applications.
- Delivered client-focused solutions following Agile methodologies.
- Optimized application performance through reusable and scalable code.

SoftSuave Technologies Pvt. Ltd. — Executive Software Engineer

Mar 2022 – Sept 2023

- Collaborated directly with clients to manage deliverables and expectations.
- Led and mentored team members to achieve project goals efficiently.
- Implemented Agile practices for rapid and iterative development.

Crompt IT Pvt. Ltd. — Data Process Engineer

Apr 2019 – Apr 2020

- Managed and processed large-scale datasets with high accuracy and security.
- Built internal automation tools to reduce manual effort and improve productivity.
- Designed reports and dashboards to support decision-making.

Education

- **Master of Computer Applications (MCA)**
Global Institute of Technology Management — Bangalore University
- **Bachelor of Computer Applications (BCA)**
GitaRam Institute of Management — West Bengal University of Technology

Achievements

- Successfully delivered 30+ projects.
- Built 20+ applications from scratch.
- Improved team efficiency by introducing structured workflows.
- Reduced production issues through strong review and testing practices.
- Recognized as a **Top-Performing Team Member** at Webskitters for exceeding project goals.
- **Man of the Match**, Webskitters Premier League Final (Silver Cup Winner).
- Actively involved in animal welfare initiatives, contributing to treatment and rescue efforts.
